

The Suffield Board of Selectman has agreed to hold two public forums for residents to discuss the rehabilitation of Bridge Street School into a Community Center and home for our Parks and Recreation Department. If you support this idea and want this vision to become a reality, *we need your help.*

What can you do?

- **Attend the Public Forum.** Let your voice be heard and state your support or thoughts. The first forum will be on February 12 at the Suffield Middle School at 7 pm. Children are welcome at the meeting. There will also be FREE childcare during the forum if needed. The second forum will be in March; the date is still to be decided by the Selectmen.
- **Attend a Board of Finance meeting.** The BOF will begin the budget review for 2014-2015 at the end of February. The meeting opens with public comment, giving residents the opportunity to provide comments. Once given you can leave the meeting. If the BOF recognizes the community need/support for this project they will be more supportive.
The next BOF meeting is February 10th at the Police Station Conference Room at 7 pm.
- **Send an email to the Town.** Let your opinion be heard. Feel free to use the attached letter of support. Your letter should be emailed to the BOF and BOS. The following are the email contacts:
